To the Yearbook Staff:

Once again I am pleased to have the opportunity to express appreciation to the yearbook staff for its work in preserving much of the life of our school that otherwise would go unrecorded.

Surely the experience is a rewarding one for the students who devote the necessary time and effort to make this publication successful.

Yours very truly,

MR. PAUL ELLIS

NAUSET REGIONAL HIGH SCHOOL

Orleans, Massachusetts

Paul N. Ellis, Principal

To The Class Of 1966 ---

It has been most pleasant spending these last two years with you. I hope that your many experiences here -- pleasant and yes, some perhaps not always apparently pleasant -- have nevertheless afforded you many worthwhile learning experiences that have matured your judgment and strengthened your decision making procedures. You will need all the power and skills available to you in this area as no group of young people will probably face any more problem situations in the immediate future.

Before you leave us I refer you to the last three lines of the poem "The Road Not Taken" and suggest that you take time again to refer to it in its entirety:

"Two roads diverged in a wood, and I --  
I took the one less traveled by,  
And that has made all the difference."

---Robert Frost

Best wishes.

## *History*

The class of '66 first met in 1960. Bewildered and awed as we were, we wisely elected Bob Buck, Colin Cochran, Beth Henry and Dana Murphy to lead us and conduct the class business. Although new to Nauset, we held a class dance and helped to put out the "Papoose."

In the eighth grade we elected Rick Viprino, President; Bob Buck, V. P.; Pam Deschamps, Treasurer; and Phyllis Nickerson, Secretary. This was the year penny pitching was "in". Remember Madame Van Rooten? She was the only person who ever could ride elephants and plant cabbage in the same room.

Then came the Freshman year! We had finally made it. We threw ourselves into activities with a vengeance. We had four elected Student Council members, Olive Jean Ellis, Janet Holt, Pam Deschamps, and Beth Henry. We also elected Rick Cochran, President; Dave Monzon, V. P.; Phyllis Nickerson, Treasurer; and Robin Adams, Secretary.

This was a great year for eating—

John Tovrov won the contest to name the school store,  
and chose to eat his prize in Ancient History—

Will Shakespeare had his birthday celebrated by 50  
very enthusiastic Freshmen—

This is the year we entered the play competition for the first time with, "Oh, Baby", even with the rising talents of Carol Young, John Tovrov, and David Philbrick, the judges decided against us.

In our Sophomore year, we elected Charlie Meads, Rick Cochran, Beth Anderson, and Kathy Duffy as class officers. This year we introduced the never-to-be-forgotten odor of formaldehyde to our noses. Many budding scientists we stopped by this startling experience.

Our entry in the one-act play competition was "Uncle Dilby". Once again,

## History

h the cast gave a brilliant performance, we failed to gain the award. During our Junior year, college and after graduation plans loomed large on the horizon. We now realize that this was the time to buckle down. This year we elected to lead us, Tom Murphy, Rick Alexander, Diane Purpura, and Olive Jean Ellis.

This year our individualists showed up—  
remember when—

Linda Chase stopped Mr. Hutchings short with her  
“pregnant horse?”

Tim Jacobs jumped out the window, not once, but  
twice?

a certain class locked the substitute out of the room? But we accomplished something too.

Our class was the first to have a Prom Queen, and Kevin Berger was radiant, seated in state at our prom “Heavenly.”

In the fall of 1965, it hit us; this was it! We were Seniors, and it was sink or swim. We elected Frank Gallant, Bob Wilkinson, Beth Henry, and Phyllis Nickerson.

This year our Student Council members originated the A.F.S. exchange program.

Our Boys' Basketball team made the Principals and the Tech Tournaments.

And we, the class of 1966, finally come to realize the full measure of our gratitude that we owe to Nauset for the years of guidance, learning, fun, and support we have received.

JAN

Nineteen girls contributed to the success of this season's team. Nineteen girls are here recognized for giving a total effort, all of the time in every situation.

The spirit a team has is stimulated by its leaders, the Senior members:

PAT PACKETT, a four year scoring power for Nauset, was always rebounding and shooting again giving just a little bit more.

JAN HOLT, a dependable two year letter winner, was always good for a little head feint and a push shot to score.

PAM DESCHAMPS, a two year Varsity player, had an abundance of loyalty, spirit, and drive and an ability to cut loose with a long pass.

OLIVE-JEAN ELLIS, also a two year Varsity player, was always ready and eager to enter a game and capably play any position needed.
